HOMES NEEDED! DOG

Looking for a home for a very special dog called "Bebe." Everybody loves Bebe. She is a smooth Fox Terrier, weighs 18 pounds, white with a black slashed muzzle. Loves to walk, play, and be petted. 12 years old, in very good health. To meet Bebe, call Bette Wasson at 954-788-1793.

CAT

A home is needed for a beautiful kitten, approximately 6 months old. She has been spayed and given her rabies shot. She has adapted to the lady who feeds her and follows that lady around. But unfortunately the lady cannot take her in. A home without another cat would be preferred for this young lady. I'm sure she would love to be inside. If you are interested in adopting this kitten, please give me a call.

WHAT ZIT MEAN?

LEED Certification: LEED, an acronym for Leadership in Energy and Environmental Design, is one of the most popular green building certification programs. This certification includes a set of rating systems for design, construction, operation, and maintenance of green buildings. In 2016, the Woodlands was awarded a LEED Certification, which reads in part: "The Woodlands at John Knox Village has fulfilled the requirements of the GOLD level of certification for new construction established by the U.S. Green Building Council."

HATS OFF TO CAROL!

Several of our residents are retired teachers from North Andrews Elementary School. Once a month they meet for lunch at various restaurants. For over 20 years this social event has been coordinated and led by resident Carol Weeks. Congratulations to Carol for her dedication and leadership, and to all the teachers who attend regularly.

EMPLOYEE APPRECIATION

I had a problem with the function of my Teletron System, and after the vendor declared it operating, I received phone calls and security visits daily saying I had not been checking in. I assured them that I had. One day John Alvarez from Security came, after I explained that I was pushing the button but apparently it was not registering. A gentleman showed up at my door, saying that John had called him and reported my problem. Within a few minutes he found a broken wire and it was fixed. Last week John stopped by to see how I was doing. I said "Just fine, other than a colony of ants trying to take over my kitchen." A couple of days later the pest guy showed up and now the ants are no more.

TEDDY BEAR MAKERS NEEDED!

For three years a team of JKV residents have made special Teddy Bears for special children who attend a camp known as “Camp Boggy Creek” near Eustis, Florida. This camp is part of the world wide movement started by Paul Newman, known as Serious Fun Camping. Each year the camp hosts children with critical physical needs for week-long events of fun and safety.

The children who attend find special Teddy Bears on their beds when they reach their cabins. Our John Knox residents have been cutting out and machine-sewing these bears. Other resident volunteers stuff the bears, and still others complete them with hand sewing. So far our teams have completed over 400 teddy bears during the last three years. We have enough fabric ready to cut and sew to pass our 3-year goal of 500 bears. We need people with sewing machines to help us reach that goal. We'll give you the fabric and patterns. You bring the bears to life.

If you are willing and able to help, please contact David Haun at 954-785-5055, or by email at dlandtkhaun@yahoo.com. If you want to know more about the Serious Fun Worldwide Network and these wonderful camps, go to www.serioousfunnetwork.org/about-us.

MORE JUST PLAIN NEAT INFO

Kites were used during the Civil War to deliver letters and newspapers.

The song “Auld Lang Syne” is sung at the stroke of midnight in almost every English-speaking country to bring in the new year.

Drinking water after eating reduces the acid in your mouth by 61%. Drinking a glass of water before eating may help digestion and curb appetite.

ANGELS

(As explained by children)

Angels have a lot to do and they keep very busy. If you lose a tooth, an angel comes in through your window and leaves money under your pillow.

Sara, age 6

Angels live in cloud houses made by God and his son, who's a very good carpenter

Jared, age 8

All angels are girls because they gotta wear dresses and boys don't go for it.

Antonio, age 9

Some of the angels are in charge of helping heal sick animals and pets. And if they don't make the animals get better, they help the child get over it.

Vicki, age 8

FROM THE VILLAGE MART

Pam Gardner, Manager

HAPPY DAY TO EVERYONE!

As of March 1st we are open two days a week until 1:00 P.M. Those are our “food days,” Hot Dog Wednesday and Pizza Friday!!! Come have lunch with us. The rest of the week are the same hours, 9:00 A.M. to noon. Change is good, and we hope this will be easier for you.

We had the nicest Cluster Meeting the other day. Marketing took the time to walk us through some really lovely villas in South Garden and then took us to the Design Center in Village Towers. We looked around there and then toured a couple of redecorated units in Village Towers. Everything was decorated beautifully, but we all left saying we loved our homes. As we were leaving, a few of our group wanted to know where the “light refreshments” were that they had promised us. You know how JKV residents travel on their stomachs. They had forgotten that they had promised to provide refreshments. Our group has some pretty good eaters in it, so they left grumbling.

Did you know that they have new rules for 10-year make-overs? If you are due for one, please call Maintenance and they will come out to explain the parameters for you, and you may be nicely surprised at what you can do. I have only been here 5 years this month, so I have a ways to go, but I am looking forward to hearing how it goes. As time goes by, come tell me how it went for you.

Someone called and told me I needed to remind people about all the things we have for sale in the Village Mart. We have those important recycle bags, paper towels, toilet paper, Kleenex, aspirin, cold medicine, tooth paste, tooth brushes, Tide, cough drops, and many more items. The “junk food” counter is to die for. We have all kinds of crackers and the best candy bars, chips, and nuts. We carry fresh eggs, hard-boiled eggs, sodas, and milk. The cooler is full, as well as the freezer. Come see us. We do not do personal shopping (there is a really nice lady who does that), but we carry lots of things you might need. Remember, it is sometimes easier getting to the Mart than driving to the nearest Publix.

Don't forget that we have Half Price Coffee Tuesday, Hot Dog Wednesday, 10% off cards on Thursday, and Pizza Friday. We look forward to seeing you Monday, Tuesday, and Thursday from 9:00 A.M. to noon, Wednesday and Friday from 9:00 A.M. to 1:00 P.M. Coffee is really good and the atmosphere is happy, so come see us. We are located in Cassels Tower, ground floor, east end of the building, past the Beauty Shop. ☺
